

Andrews has not only been a part of the Northeast Ohio community since 1908, it has become one of the largest and most trusted moving companies in the United States. We have been able to grow through our trusted reputation, expert training, and constant pursuit of improvement. All without sacrificing our personal customer service. Nobody's standards are higher than ours... that's The Andrews Way.

Andrews is proud to be a founding member of United Van Lines - America's #1 moving company and the world's largest van line. We are ProMover Certified, a member of the American Moving and Storage Association and a Better Business Bureau accredited company.

Experience Moving The Andrews Way

Who We Are

Since 1908 Andrews has helped customers like you move across town, across the country and around the world. But we're not just another mover. We are moving and customer service experts.

We are committed to the principles that create a culture of service and excellence. We pledge to do the job right the first time, to understand our customer's perspective, and to improve ourselves. That's The Andrews Way.

Why Choose Andrews

We're professionals. When you hire Andrews for your move you can rest assured that you will have hired a company that doesn't just say they care...but actually does care about your experience.

Experience: With more than 100 years of experience in the moving industry you don't have to worry about our reputation. We've been here and we'll be here. And we want to move you again.

Service & Quality: At Andrews, we don't settle for average service. We commit to investing in the best possible training, equipment, and people in order to deliver better service than anyone else.

Solutions: Andrews has the flexibility, versatility and capacity to offer a variety of solutions for any moving need. Whether it's boxes, DIY moving or full service moving and storage, we are your one stop solution.

What You Expect

We know that moving is stressful. Our goal is to help our customers minimize the stress of the moving process by providing consultation, reliability, and quality that we know you expect, but often can't get.

With Andrews You Can Expect:

- No cost, no obligation in-home consultations and estimates
- Customizable solutions from do-it-yourself to full service moving and storage
- A friendly, professional dedicated move coordinator to help you manage your move
- Professional crews that are screened, background checked and trained to be the best in the industry
- A less stressful moving experience
- A company that stands behind its work

What We Do

We can keep it as simple as you want or we can handle any challenge you have. We understand that our value only comes by providing you with exactly what you need, and nothing that you don't. We can offer a Go Mini's portable container for de-cluttering and easy, no hassle storage, or we can coordinate the distribution and movement of multiple shipments to multiple locations anywhere in the world. Check out the range of products and services that we offer below:

- Boxes, packing material, and packing kits for sale
